 - Platform Privacy Policy: www.eventx.io/privacy-policy

Article 8 Management of Account Information

1. The Company will use the account information granted to the User regarding the use of the Service to provide the Service, and a person who has successfully logged in can be regarded as a user. The Company shall not be liable for any disadvantage incurred by the user.
2. The user shall strictly manage the account information granted by the Company at his / her own risk. Disclosing passwords and login links to third parties, transferring, lending, or otherwise any act that allows a third party to use this information by law is prohibited.
3. In the unlikely event that your account information is disclosed to a third party or leaked by other means, the user shall immediately contact the Company and change a password.

Article 9 Copyrights, etc.

1. Content posted or posted by the user using this service (including profiles, comments, company or product logos, images, etc., hereinafter referred to as "user content"). Copyrights, neighbouring rights, moral rights, and trademark rights (hereinafter referred to as "copyrights, etc."). Except for those whose copyrights belong to the Company or a third party, the User Content shall belong to the user who posted or posted the User Content.

2. The User shall grant the Company the right to use the User Content for the operation of the Service and for the marketing or advertising of the Service, free of charge in Japan and overseas during the period of use (including the right to sublicense to a third party). The permission shall be granted. The user shall not exercise the moral rights of the author against the Company or any third party to which the Company has sublicensed the rights.
3. The User shall confirm and judge the content, accuracy, suitability, completeness, truthfulness, legality, quality, etc. of the User Content at its own responsibility before posting or posting it on the Service and shall be responsible for the use of the User Content.
4. You hereby warrant that your User Content does not contain confidential information of other companies and that your User Content does not infringe on the rights or interests of any third party.
5. In the event of any complaint, dispute, or other trouble with a third party regarding the User Content, the user who published or posted the content shall resolve the problem at the expense and responsibility of the user who posted it, and the user shall not cause any inconvenience or disadvantage to the Company. The Company shall be able to claim compensation from the user who published or posted the expenses incurred in handling troubles related to the User Content.
6. Except for User Content, copyrights, trademarks, and other intellectual property rights such as copyrighted works, copyrights, trademark rights, and other intellectual property rights posted by the Company on the Service, as well as all rights related thereto, shall belong to the Company, and shall be reproduced, reprinted, etc. (including scraping) without the prior consent of the Company.

Article 10 Deletion of Contents, etc.

1. In the following cases, the Company may, at its own discretion, delete the User Content or take other measures (however, the Company is not obligated to do so). The user shall not be able to object to this.
 1. If the Company determines that the User Content violates these Terms of Use.
 2. In the event of a problem related to User Content
 3. In addition, when the Company determines that the User Content does not conform to the purpose or purpose of the Service.
2. In the case of each of the preceding items, the Company may post or post the relevant User Content as User Content after changing or modifying it to content that the Company deems appropriate, instead of deleting the related User Content. In this case, the Company shall indicate on the relevant page that it has been edited by the Company.

Article 11 Trading, originating from the Service

1. This service is a service that makes it easy for visitors who are interested in this service to discover products and services posted by exhibitors by using Internet technology, and by using this service, We will have no liability of any kind. whether or not the user can meet the person he wants, whether or not the transaction will be concluded, whether the services will generate profit, as well as the reliability of the user and the services performance. We are not responsible for its original services. The user shall be responsible for all services, communications, and other actions made using this service, as well as the results thereof, etc., and the Company shall not be liable for them.
2. The Company shall not be liable to any person for the content, accuracy, suitability, completeness, truthfulness, legality, or quality of the User Content. Questions or complaints regarding errors, doubts, up-to-datedness, inaccuracies, etc. of User Content posted by Exhibitors shall be made directly to Exhibitors and the Company shall not be involved in such matters.
3. In the event that information leakage or plagiarism of intellectual property rights, etc. has occurred or is likely to occur in relation to or due to the User Content posted by the Exhibitor (not limited to cases directly arising from the User Content, but also includes indirect events such as leakage of technical information due to cyber-attacks, etc., which may have been done or may have been triggered by this). Exhibitors shall be responsible for all of these and shall not be involved in them.
4. The Company does not guarantee the identity or existence of the user, regardless of whether the registration has been legitimately performed. The User shall make any proposals, business negotiations, or other service opportunities that arise from the use of the Service after confirming the origin of the other party and the identity of the other party, and shall deal with all threats to intelligence on their own.

Article 12 Payment of User Fee

1. The Exhibitor shall pay the usage fee to the Company for the use of the Service in accordance with the Company rules.
2. The usage fee shall be paid by the deadline by the method of transfer to the designated financial institution account or credit card in accordance with the description of the invoice sent by the Company to the exhibitor.
3. If you do not pay the usage fee on time, you will be charged a late fee.
4. User fees for cancellation after the conclusion of each service contract or cancellation during the service period are non-refundable.

Article 13 Prohibited Acts

1. When using this service, the user shall not perform the following acts.
 1. Acts that infringe on the intellectual property rights, portrait rights, privacy rights, honour, or other rights or interests of the Company, other users, business partners, or other third parties.
